

# **REMINDER** for Partner Agencies

- **This product is from the FRESH ALLIANCE PROGRAM**
- **Be sure to rotate stock so this product is out well before the 90-day limit.**

Please be sure to tell your food box recipients:

1. The product was frozen at the retail store on or before the “sell by” date and is safe and wholesome for at least 90 days past the date, if kept frozen.
2. Thaw the product in the refrigerator or microwave. Do not thaw meat by leaving it out at room temperature.
3. Cook the meat completely—there must not be any pink/red color left in the center (or to an internal temperature of over 160 degrees).
4. Leftovers must be frozen immediately or refrigerated and eaten within 2 days.
